On behalf of the people of Oxford, I'm pleased to welcome everyone to the Ontario Seniors Men's and Women's Curling Championships. I want to thank the Ingersoll District Curling Club for hosting and all the organizers for planning this event.

After all their training and hard work, teams from across Ontario have earned their chance to match their skills against other elite curlers. In this spirit of competition, players are contributing to the long history of curling in Canada, a sport that is woven into the fabric of this country. I know that the players will give their all and may the best team win.

Sincerely,
Ernie Hardeman, MPP Oxford

President's Welcome

It is with great pride that I welcome the Participants to the 2023 Seniors Championships. Congratulations on your efforts to qualify for this prestigious event! Our Club is eagerly awaiting to welcome you and provide you with a wonderful week of curling. Ingersoll Curling Club has a reputation of providing exemplary Hospitality and playing conditions as we have hosted several Provincial Finals at our Facility. Under Chairman Aden Corcoran we have an able group of volunteers ready to commit to provide you with a week of memorable experiences and I wish to thank our members for their contribution.

In your time between games, I hope you take advantage of touring our community and the area from which we draw our Membership. Our Club has always had strong support from our Local Business Community, and I encourage you in your down time to visit our local retail and restaurant businesses and show them your support.

Especially try to view the Flight Exec Centre in Dorchester (15 minutes away) which will be the site of the 2024 Provincial Tankard and Scotties. This is the second time we will be hosting this event and the Committee under Chairman Bob Armstrong is working hard to provide an even better experience than what we provided in 2015.

I am planning on watching the great curling you will provide and hope to meet many of you during the week.
